**Lee County, Fla.** - The Florida Fish & Wildlife Conservation Commission (FWC) website reports Red Tide is not present or at background levels near Bonita Springs Beach Park, Lynn Hall, and Tarpon Bay Road Beach Access, therefore the Florida Department of Health in Lee County (DOH- Lee) is rescinding the Health Alert for the red tide bloom near Bonita Springs Beach Park, Lynn Hall, and Tarpon Bay Road Beach Access.

Florida Poison Control Centers have a toll-free 24/7 Hotline for reporting of illnesses, including health effects from exposure to red tide at 1-800-222-1222.

Please visit the Florida Fish and Wildlife Research website for additional information on the locations where red tide has been found: [myfwc.com/research/redtide/statewide/](http://myfwc.com/research/redtide/statewide/).

About the Florida Department of Health

The Department, nationally accredited by the [Public Health Accreditation Board](#), works to protect, promote and improve the health of all people in Florida through integrated state, county and community efforts.
